

To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, residents of the Cowichan Valley, states that: It would not be in the best interest of the public to merge the Shawnigan Lake RCMP detachment with the North Cowichan detachment.

Your petitioners respectfully request that the Honourable House replace the Shawnigan Lake detachment with a new detachment, as previously planned, on the land donated for the purpose at Barry Road and Shawnigan-Mill Bay Road.
